By signing the exhibitor acknowledges having read and agreed the Terms & Conditions on the reverse side of this Contract. Exhibitors understand that this application will become a binding contract upon acceptance by Aesthetic Congress Communications (ACC). Any changes to the information on this application must be provided to ACC in writing.

Application's Authorized Signature _____ Title _____ Date _____

1. Contract. This Application and Contract for Exhibit Space ("Contract") at an International Congress of Esthetics and Spa ("Trade Show") when properly executed by the Applicant ("Exhibitor") shall upon written acceptance by Aesthetic Congress Communications, Inc. ("Management") constitute a valid and binding contract. Management reserves the right to establish further conditions, rules and regulations as may be deemed necessary for the general success of the Trade Show. It is further agreed that the conditions, rules and regulations as stated in this Contract and as outlined in the Exhibitor's Service Manual are made a part of this Contract and fully incorporated into this Contract, and that the Exhibitor agrees to be bound by each and every such condition, rule and regulation.

2. Use of Space. Management reserves the right to decline, prohibit or expel any exhibit which in its judgment, is out of keeping with the character of the Trade Show. This reservation applies to all persons, printed materials, products, conduct of the Exhibitor or its employees, contractors, agents or guests, sound level, and all other aspects of the Exhibitor's exhibit. Distribution of advertising material and Exhibitor solicitations of any sort shall be restricted to the Exhibitor's booth. Exhibitor's exhibit or product may not extend beyond the limits of the Exhibitor's booth. Exhibitor shall arrange its exhibit so as not to obscure or prejudice adjacent exhibitors in the opinion of Management. Exhibitor may not assign or sublet any part of its assigned space without the prior written consent of Management. Any space not occupied by the time set for completion of installation of displays may be reassigned at the discretion of Management. Exhibitor's Deposit will be forfeited unless special arrangements have been approved by Management. Exhibitor will keep its exhibit open and staffed at all times during the Trade Show hours.

Booths - Standard booth equipment (back and side walls, identification sign, two chairs, and one draped table) is provided by Management without cost to the Exhibitor. If Exhibitor plans to install a completely constructed display of such character that the Exhibitor will not require or desire the use of standard booth equipment, no part thereof shall project as to obstruct the view of adjacent booths. No display or its contents may exceed a height of 8' nor may the sidewalls be higher than 4' within a distance halfway between the back wall and aisle. Raw wood, cardboard or similar material for wings to booths must be covered or painted if they are visible in adjacent booths.

Failure to comply with the rules and regulations of this Contract and as stated in the Exhibitor's Service Manual will result in the alteration or removal of the booth at the Exhibitor's expense. Rental fees for services and exhibit space are not refundable. Exhibitors shall be bound by all pertinent laws, codes and regulations of municipal or other authorities having jurisdiction over the exhibit facility or the conducting of said exhibit, together with the rules and regulations of the owners and/or operators of the facility in which the exhibition is held.

3. Cancellation, Termination and Refund Policy - If Exhibitor cancels this Contract in writing delivered to Management at least 60 days prior to the first show day of the Trade Show, Management shall retain 25% of the total rental amount and shall refund any excess paid by Exhibitor over that amount through the date of cancellation. No refund will be made for any attempted cancellation within 60 days of the first show day of the Trade Show.

Exhibitor understands that if Exhibitor fails to comply in any respect with the terms of this Contract including any conditions, rules and regulations for the Trade Show, Management shall have the right without notice to the Exhibitor to immediately sell or offer for sale the exhibit space covered by this Contract. Exhibitor further understands that it shall be liable for any deficiency, loss or damage suffered by Management as a result of its failure to comply and that Exhibitor agrees to pay any such amount immediately, upon demand together with reasonable expenses and costs incurred. It is further agreed that actual utilization of the exhibit space is essential to the success of the Trade Show. If Exhibitor is unable to affect the sale of the space as herein provided, Management is expressly authorized to utilize or cause the unused exhibit space to be occupied or otherwise utilized in such manner as it may deem in the best interest of the Trade Show without any refund, rebate or allowance whatsoever to the Exhibitor and without in any way releasing the Exhibitor from any liability hereunder, and Exhibitor expressly agrees to pay the full sum set forth in this Contract.

Management will not be liable for the fulfillment of its obligations under this Contract as to the delivery of exhibit space if non-delivery is due to any of the following causes: the facility being damaged or destroyed by fire, dangerous or inclement weather, lack of utilities to the facility, act of God, public enemy, war or insurrections, travel limitations, strikes, lock-outs, acts of vandalism, terrorism or terrorist threats, riots or other civil disturbances, an epidemic, pandemic or other similar public health risk, the facility being unavailable due to governmental action or anticipated governmental action which would prohibit a Trade Show such as ours or limit the capacity of the facility below our normal attendance, any other laws, rules, regulations or orders of federal, state or local government which would prohibit holding the Trade Show at the facility or impose substantial limitations, postponement or cancellation of the Trade Show for any other reason, or for any cause beyond the control of Management.

If Management is not able to hold a Trade Show for any of the above named reasons Management agrees to reimburse Exhibitor the amount paid by

Exhibitor to Management, less its pro rata portion of any and all non-cancelable expenses committed or incurred by Management relating to holding the exhibit such as but not limited to rent, advertising and marketing, fees and salaries, and other operating costs.

All Exhibitors must have current account balances and maintain such account current 30 days prior to the opening date of the Trade Show for advertising, products, or any other product or service previously provided by Management and/or Les Nouvelles Esthetiques, Inc. Failure to bring or maintain any account current at such time will result in cancellation and termination of this Contract. No refunds will be made as a result of cancellation for this reason nor will such funds be applied against past due balances, said funds being forfeited.

4. Liability and Insurance. Exhibitor shall be fully responsible to pay for any and all injuries to persons or property damages to the convention facilities or the property of any third party which results from any act or omission of Exhibitor, its officers, directors, managers, employees, contractors, guests or agents.

Exhibitor must carry worker's compensation, comprehensive general liability including products and completed operations, independent contractors, personal injury, and blanket contractual liability with minimum limits determined by Management. These coverages must be evidenced by a Certificate of Insurance with a 30-day notice of cancellation provision to the holder and supplied to and naming Management as additional insured at least 30 days before the proposed exhibit date. It is strongly recommended that Exhibitors also carry insurance to cover loss of or damage to their exhibits or other personal property while such property is located at or is in transit to or from the Trade Show site. While the Trade Show provides security guards, this is solely as an accommodation to exhibitors, and Management assume no responsibility for any loss, damage or injury to any property of the Exhibitor or to any of its officers, agents, employees, guests or contractors, whether attributable to accident, fire, theft, or any other cause whatsoever. The Exhibitor expressly agrees to save and hold harmless Aesthetic Congress Communications, Inc., and Les Nouvelles Esthetiques, Inc., their subsidiaries and affiliates, as well as each of their officers, directors, owners, contractors, management, agents, and employees from any and all claims, liabilities and losses for injuries to persons (including death) or damage to property arising in connection with the event or with Exhibitor's use of the exhibit space, except such losses as may be the direct result of the gross negligence of Aesthetic Congress Communications, Inc. or Les Nouvelles Esthetiques, Inc.

5. Available Services. On behalf of the exhibitors, Management has designated official Exhibition contractors to provide the following: drayage, cartage, furniture, booth and floor decorations, signs, photographs, telephone services, and other services. Services of electricians, plumbers, carpenters and other labor will be available and charged for at the then prevailing rates. Contractors and rates will be listed in the Exhibitor Service Manual to be issued separately. Management assumes no responsibility or liability for any of the services performed or materials delivered by the foregoing persons, parties and organizations. Arrangements for these services and payments are to be made between exhibitors and official Exhibition contractors. Rules and regulations for union labor are made by the local unions and these regulations may be changed at any time. When union labor is required because of building or contractor requirements, the Exhibitor agrees to comply with the regulations.

6. Protection of Facilities. Nothing shall be posted on, or tacked, nailed, screwed, or otherwise attached to the columns, walls, floors, or other parts of the convention hall exhibit area without permission from the proper building authority. Fluids, caustic or staining, must not be used where they may damage floor coverings. Packing, unpacking and assembly of exhibits shall be done only in designated areas and in conformity with the directions of the Management, the convention hall manager or their assistants.

7. Installation and Dismantling. The specific requirements as to time for installation and dismantling of exhibits shall be set forth in the Exhibitor Service Manual supplied to each exhibitor for the particular Trade Show. Such requirements shall be binding upon Exhibitor as though fully set forth in this Contract.

8. Attorney's Fees. Should Management incur any legal fees or costs in connection with collection of any amounts due under this Contract, Exhibitor shall pay all such fees and costs incurred prior to litigation. If either party brings litigation in order to enforce its rights under this Contract, the prevailing party in any litigation shall be entitled, in addition to such other and further relief to which it is entitled, to an additional reasonable sum for its attorney's fees and costs.

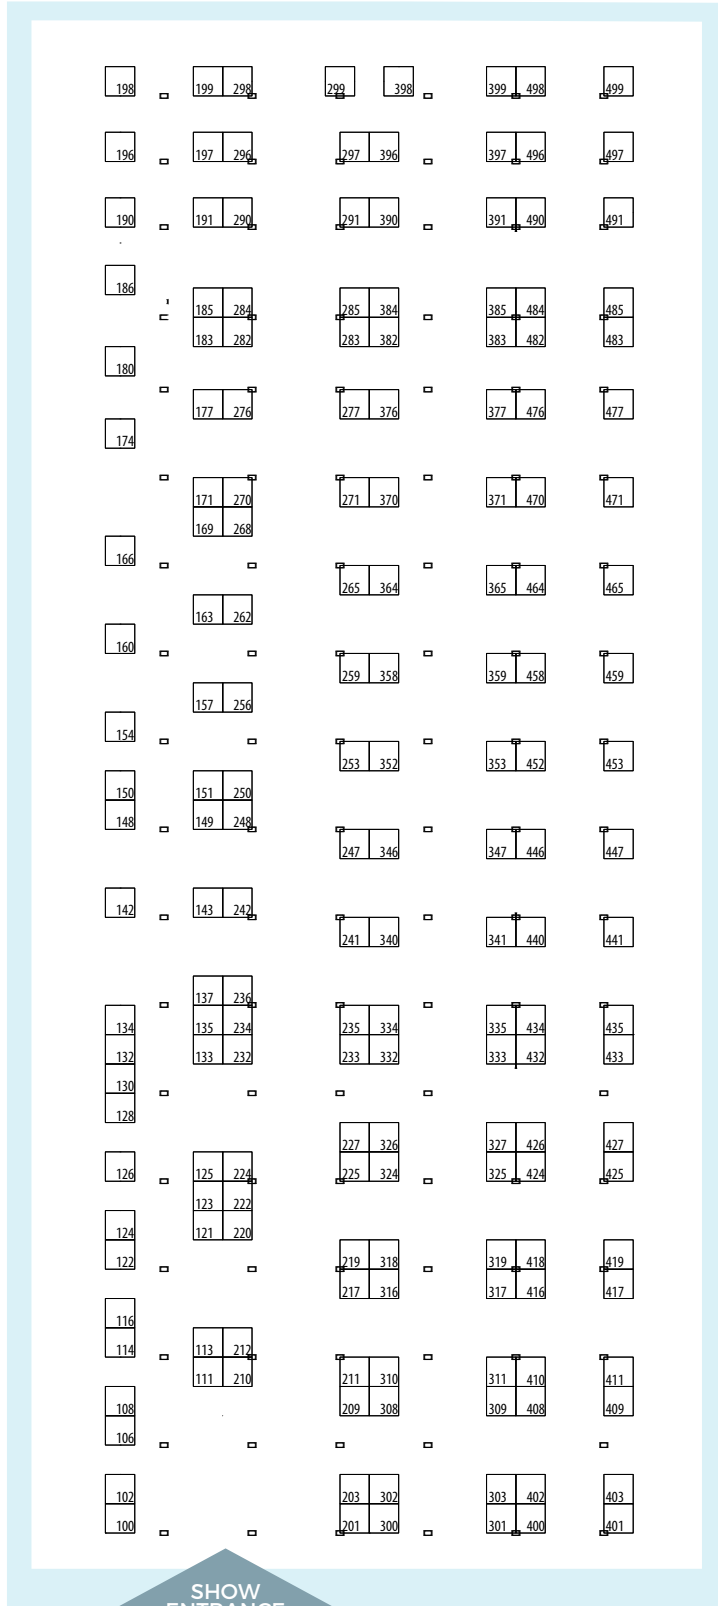

9. Applicable Law. This Agreement shall be construed under the laws of the State of Florida. The parties agree that jurisdiction and venue for any dispute under this agreement shall be in the state courts located in Miami-Dade County, Florida and the Federal courts of the Southern District of Florida. Exhibitor irrevocably and unconditionally agrees to subject itself to the jurisdiction of those courts; waive any objection to the laying of venue of any such action or proceeding in any such court; and waive and agree not to plead or claim that any such action or proceeding brought in any such court has been brought in an inconvenient forum.
